

## **STEM CELLS IN CARDIAC REPAIR**

**Molecular Biotechnology Centre  
University of Torino  
Torino, Italy**

**29 November 2007**

- 9.00 – 9.45**            **Peter Doevendans (Utrecht, The Netherlands)**  
**“Cardiac stem cells: therapy or science”**
- 9.45 – 10.30**        **Michel Puc at (Evry, France)**  
**“Cardiac commitment of Human embryonic stem cells :an in vitro  
and in vivo study”**
- Coffee Break
- 11.00 – 11.45**        **Giulio Cossu (Milan, Italy)**  
**“Cardiac mesangioblasts are self renewable, committed  
progenitors”**
- 11.45 – 12.30**        **Gerd Hasenfuss (Gottingen, Germany)**  
**“Pluripotent spermatogonial stem cells for cardiac repair”**

**ATTENDANCE IS FREE OF CHARGE**

**PEOPLES INTERESTED TO ATTEND THE WORKSHOP SHOULD SEND THEIR  
REGISTRATION TO THE FOLLOWING MAIL ADDRESS:**
